

Hannah Paramore Speaks

... and people listen.

Explore the ever changing world of Social Marketing.

“The Amens and Hallelujahs Just Keep Coming”

Give her an audience, big or small, a projector and a mic and let her go. Hannah's fast-paced presentation style draws the audience in from the beginning and provides a format for a truly interactive experience where the amens and hallelujahs just keep coming.

Hannah has spent more than a decade in interactive marketing and is a frequent speaker at regional and national conferences on the topic of online media with a focus on social for such organizations as the US Travel Association and Governor's Conferences. Hannah helps her clients focus on the two main things that matter in marketing: **audience** and **message**,

with
online strategies
that are
simple,
clear
and
results oriented.
